

# CAPABILITY STATEMENT

## About Our Company

ViewSoft, Inc provides highly experienced teams of Data Scientists, Big Data Professionals, Software Developers. We are in the business for about twenty years. ViewSoft, Inc offers a variety of solutions through multiple venues that fit specific needs of our clients and we operate our business at optimal levels leveraging industry best practices and tools. Viewsoft uses skilled people who have many years of experience with cutting edge technologies. We can help organizations to reach its goal of big data solutions either on premise or on the cloud, and effectively manage the relational databases

## Why You Should Choose Us

We employ highly skilled and empowered professionals, delivering top quality service to our clients. We strive for 100% customer satisfaction and count our success not by revenue and profit alone, but by the number of clients that keep coming back.
